## About

Hi, I'm Haris Zenovic I'm 25 years old . I'm born in Novi Pazar , Serbia but currently I live and work in Belgrade, Serbia. I am holding a bachelor degree in Information Technology. Programing has been my passion for a while, and my goal is to become a professional software engineer. I enjoy in what I do, and I am trying to learn more and become better each day. Besides programing, my great passions are travelling, reading books, watching movies and meeting new , interesting people. I consider myself adventurous, social, hard working, detail oriented, diligent and persistent in completing tasks.
